

PUNJAB STATE GRAINS PROCUREMENT CORPORATION LIMITED (PUNGRAIN)

ANAAJ BHAWAN, SECTOR 39 C, CHANDIGARH.

CORRIGENDUM (Tender ID 2020_FCSCA_45412_1)

- 1) As per Sr. no 22 of the MTF, the land on which the CAP is proposed to be constructed should not have a HT Line (11 KVA and above/ISO SPECIFICATION) passing over the proposed layout plan of the CAP.

In this regard, it has been decided that the removal of transmission line of 11 KVA or above shall be the condition precedent for taking over of the CAP/ plinths. Therefore, in case of sites which have 11 KVA or above electricity lines passing over at the time of submission of bid, the bidder shall have to give an undertaking that he will get such lines removed before the taking over of plinth by Pungrain/ FCI, at bidder's own cost. However, if the lines are not removed by the time of taking over, the plinth shall not be taken over despite it being made as per the prescribed specifications.

- 2) The following addition regarding Non-encumbrance certificate (NEC) is made to the sr. no 22(a); The bidders shall also have an option to submit a disclosure statement regarding encumbrances involved in the offered land instead of Non-encumbrance certificate (NEC) for land offered by bidders for construction of CAP. However, decision of MD Pungrain to either accept or reject such bids considering the financial implications, would be final.
- 3) Considering the fact that the proposal/ bid can be submitted in respect of agricultural land, which are comparatively at lower level than that of the road. As such, it has been decided to make it condition precedent that taking over the site would be subject to the plinth being at prescribed level. In such cases, the bidder shall have to submit an undertaking at the time of Site Inspection by District Committee, to raise the level of land being offered at bidder's own cost. However, taking over of such site/ CAP would be subject to the land/plinth being at prescribed level.
- 4) The last time and date for submission of online bids for construction of open plinths under CAP Hiring Scheme-2019 in the State of Punjab has been extended till 3:00 PM on 11.03.2020 and the bids shall be opened on 4:00 PM on 11.03.2020 at the same venue.

Dated: 05.03.2020

Managing Director, Pungrain
